

Dear Fellow Resident,

Waste Management of Telford is our service provider for waste, recycling, bulk items and yard waste collections. Please keep this updated information for your year-round reference.

As the amount of recycling has grown over the years, so has the contamination.

Please use this handy guide as a reminder of the DO's and DON'T's of what can be placed in your single stream recycling cart. Remember, when in doubt... Keep it OUT.

Weekly Waste & Recycling Collection

Wednesday is our weekly pickup day. All carts must be placed at the curb no later than 6 a.m. Please leave 4 feet of space between the carts, trees, mailboxes, poles, etc.

Household waste should be placed in plastic bags before placing in the cart.

Empty recyclables directly into your blue recycling cart - don't bag your recyclables. Please be sure containers are empty and free of food or liquid before placing them in the recycling cart.

Bulk Items

Bulk items should be placed at the curb for pickup on the last Wednesday of each month only - see the collection calendar on the back. Bulk items include furniture, mattresses, box springs, washer, dryer, or other larger household items. Mattress and box spring must be wrapped in plastic for pickup. Items containing Freon or CFC gas must be schedule with WM in advance for a pickup at an additional fee. Call WM at (800) 869-5566 to schedule a pickup.

Yard Waste

Unlimited yard waste is collected on the last Saturday of each month only - see the collection calendar on the back. Yard waste includes bundled branches, weeds, leaves or prunings. Items that cannot be bundled must be placed in paper bags. No grass clipping or plastic bags allowed in yard waste collection.

Household Hazardous Wastes Are Not Accepted

Toxic chemicals, pesticides, oil-based paints, weed killers, automotive batteries, fuels or fluids must be disposed properly at a Household Hazardous Waste Collection event. Refer to the Bucks County Recycling website at www.buckscounty.org/recycling for options or call (888) 942-8257.

Electronics Cannot Be Disposed

Under PA state law, Waste Management will not collect any TVs, cell phones, computers, printers, monitors or electronic devices. These items must be recycled. Refer to the Bucks County Recycling website at www.buckscounty.org/recycling for options or call (888) 942-8257.
